

TO OUR GUESTS:

We are pleased to have you as our guest and to show you the various steps employed in producing musical instruments. As the tour through our factory necessarily takes guests directly into working areas, we have adopted reasonable precautions for their safety and protection. Safety glasses are required, and will be provided. Open-toed and open-heeled shoes of any type cannot be permitted on the tour (comfortable walking shoes are recommended, as the tour will entail approximately one hour of walking). We ask that guests refrain from touching materials and equipment during the tour, except when the tour guide provides opportunities to do so.

Conn-Selmer is committed to providing a safe environment for both guests and employees, and we will appreciate your cooperation in helping us to meet that commitment during your visit. Obviously, we cannot guarantee that injury, loss or damage will not occur, and cannot accept responsibility for any injury which may occur to guests or for any loss or damage to their property. Such responsibility must be that of our guests. We therefore require that you read and sign the Release below, thereby waiving all claim for injury, loss or damage while our guest.
