SIGN UP FOR REMIND

Your Tour Director will keep you in the loop throughout the trip by sending you text messages through **REMIND**. Both participants and parents can sign up for messages. Participants will receive timeline reminders throughout the day on when to be where so that you'll stay on time. Parents will receive a few updates just letting them know how things are going with the group – including fun photos and video links.

Students & chaperones on the trip should text **@nhstravels to 81010**.

Parents that are staying at home should text **@nhsdadmom to 81010**.

Instructions are included at the end of this packet. It states that you are signing up for Mr. Wayne's Class.

We promise – **NO TESTS!!!** Note that communication in REMIND is for **one-way messaging**. Should you need to contact your **Tour Director, Wayne Brhel**, his cell is **630-606-2085**.

SCHOOL RULES APPLY

All school rules regarding behavior, dress code, and substance use will apply to this tour. No alcohol, illegal drugs, or weapons of any kind may be brought onto any tour buses. Anyone observed breaking the law (i.e. possessing a weapon, possessing or using illegal substances, etc.) will be subject to immediate removal from the trip and possible criminal prosecution. Any inappropriate items will be confiscated and not returned to the participant. If a student's misbehavior requires that he or she be sent home during the trip, a chaperone will accompany the student home and the student's parents will be required to pay for these additional transportation costs.

DIETARY NEEDS/ALLERGIES

Participants are encouraged to communicate any special dietary requirements to their Account Manager in advance of travel and every effort will be made to request special meal accommodations from the food establishments included in the trip. It is ultimately the responsibility of the participant to use his or her best judgment when it comes to dietary choices during the trip. Participants should also communicate dietary needs and emergency precautions with the chaperone and administrators assigned to their student. Travelers with complex or extreme food allergies are advised to pack adequate snacks and be prepared with extra meal money to purchase uniquely prepared foods, if necessary.

ON BOARD THE COACH

You'll have the opportunity to travel in style on board a **Van Galder** deluxe 56-passenger motorcoach. The coaches will become our "living room" that we will share while traveling together. Here are a few tips to help make your experience as pleasant as possible:

- ✓ **110V Outlets** are available on board the coaches.
- ✓ **NO DAIRY products** are allowed on board the motorcoaches. This includes milk, blended drinks, ice cream, and yogurt). Plan to enjoy your ice cream treats before you get back on the coach during the tour.
- ✓ **A clean bus is a happy bus!** Participants are required to keep the motorcoaches clean during the tour. Trash bags will be located in the front & back of the bus. We'll ask for volunteers to periodically help us pick up.
- ✓ **Food & Beverages** are allowed on board the motorcoaches only if the group is responsible and is keeping the coach clean. If the coach is not in acceptable condition during the trip, these privileges will be lost.
- ✓ A **DVD player** is available on the motorcoach. Please bring your favorites to share! **G or PG Rated movies are preferred.** Only movies that have been deemed appropriate material by your chaperones will be shown. Movies with excessive language and/or adult situations will be pulled.

A note about Wi-fi. Although Wi-fi service is offered on board the motorcoaches, you can expect it NOT to work consistently or occasionally, at all, during the trip. Please plan to **bring your own Hot Spot** on the trip if you need regular access to the internet. We can't guarantee this service for you.

NUT ALLERGY ALERT! We have at least one traveler with nut allergies on the trip. We request that you NOT bring nuts or nut-filled items on board the motorcoaches to avoid any contamination. We will provide snacks that are nut free; however, it is each traveler's responsibility to monitor what is appropriate for his or her needs.

The **CDC (Center for Disease Control)** www.cdc.gov recently provided updated information on the current state of the Coronavirus and offered up suggestions to help prevent further spread. Entourage Management cares about its traveler's health and well-being. We will monitor the situation and provide updates and guidance when appropriate.

- ✓ ***Wash your hands often with soap and water for at least 20 seconds. If soap and water are not available, use an alcohol-based hand sanitizer that contains at least 60 percent alcohol.***
- ✓ ***Avoid touching your eyes, nose, and mouth with unwashed hands.***
- ✓ ***Avoid close contact with people who are sick.***
- ✓ ***Cover your cough or sneeze with a tissue, then throw the tissue in the trash. If you don't have access to tissues, sneeze or cough in your elbow.***
- ✓ ***Clean and disinfect frequently touched objects and surfaces.***

Current risk assessment (As of March 3, 2020)

For the general American public, who are unlikely to be exposed to this virus at this time, the immediate health risk from COVID-19 is considered low.
