LUGGAGE LIMITATIONS

Luggage tags should be attached to all luggage and instruments. Coach is loaded by selected loading crews. Each person is allowed **ONE PIECE** of **luggage** underneath the coach. The bag should be **MEDIUM SIZE** with dimensions no greater than 50 linear inches (height + width + length). Small carry-on bags can be placed in the overhead bins inside the motorcoach.

ON BOARD THE COACH

You'll have the opportunity to travel in style on board a **Van Galder Bus / Coach USA** deluxe 56-passenger motorcoach. The coach will become our "living room" that we will share for many hours while traveling together. Here are a few tips to help make your experience as pleasant as possible:

- ✓ **110V Outlets** are available on board the coaches.
- ✓ Although Wi-fi service is offered on board the motorcoaches, you can expect it NOT to work consistently or occasionally, at all, during the trip. Please plan to bring your own Hot Spot on the trip if you need to have regular access to the internet. We cannot guarantee this service for you.
- ✓ We will make **comfort stops** approximately every 2-3 hours during our tour. Typically, we will use rest areas or travel plazas for our rest room stops. Meal breaks will be made at appropriate exits that offer the group a variety of fast food options.
- ✓ **NUT ALLERGY ALERT!** We have a few travelers with nut allergies on the trip. We request that you do not bring nuts or nut-filled items on board the motorcoaches to avoid any contamination.
- ✓ **NO DAIRY products** are allowed on board the motorcoach (includes milk, blended drinks, ice cream, yogurt). Plan to enjoy your ice cream treats before you get back on the coach during the tour.
- ✓ **A clean bus is a happy bus!** Participants are required to keep the motorcoach clean during the tour. Trash bags will be located in the front and back of the coach. We will look for volunteers to periodically help us clean up. **Food & Beverage** is allowed on board the motorcoach only if the group is responsible and is keeping the coach clean. If the coach is not in acceptable condition during the trip, these privileges will be suspended.
- ✓ A **DVD player** is available on the motorcoach. Please bring your favorites to share! **G or PG Rated movies are preferred.** Only movies that have been deemed appropriate material by your chaperones will be shown. Movies with excessive language and/or adult situations will be pulled.
- ✓ Bring along a **Pillow** and a small **Blanket** for sleeping comfort on the motorcoach.

DISNEY FAST PASSES & DINING RESERVATIONS

Participants are able to set up their **Disney Fast Passes** through their **My Disney Experience** Account. Passes can be requested at 30-days prior to the date that you'll be in a park. For **step-by-step instructions**, visit www.entouragemanagement.com/fast. Fast passes will go quickly for main attractions in each park! Disney ticket numbers are provided on the bus manifest in this packet. **Please be very careful and select only your specific ticket number!**

Dining reservations are recommended for **sit down restaurants** throughout the Disney Theme Parks. You can make reservations through the **My Disney Experience** account or at <https://disneyworld.disney.go.com/dining>. Please review the itinerary timing to ensure that you select an appropriate dining time that does not interfere with other scheduled group activities.

DIETARY NEEDS/ALLERGIES

Participants are encouraged to communicate any special dietary requirements to their Account Manager in advance of travel and they will make their best effort to request special meal accommodations from the food establishments included in the trip. Despite our best efforts, it is ultimately the responsibility of the participant to make their best judgements when it comes to dietary choices during the trip. Participants should also communicate dietary needs and emergency precautions with the chaperone and administrators assigned to their student. Travelers who suffer from complex or extreme food allergies are advised to pack adequate snacks and be prepared with extra meal money to purchase uniquely prepared foods, if necessary.

ORLANDO ITINERARY

A note about Wi-fi. Although Wi-fi service is offered on board the motorcoaches, you can expect it NOT to work consistently or occasionally, at all, during the trip. Please plan to **bring your own Hot Spot** on the trip if you need to have regular access to the internet. We cannot guarantee this service for you.

NUT ALLERGY ALERT! We have a few travelers with nut allergies on the trip. We request that you do not bring nuts or nut-filled items on board the motorcoaches to avoid any contamination. We will provide snacks that are nut free; however, it is the responsibility of each individual to monitor what is appropriate for their needs.

TRAVEL LIKE A PRO!

Packing Tips

- ✓ **Pack a bag, but not a giant bag!** One (1) medium sized suitcase (25" H x 16" L x 9" D) please. If you're traveling overnight to your destination, pack an overnight bag with a change of clothes & toiletries for the morning.
- ✓ **Check out your itinerary & count up outfits!** In most cases, you will only have an opportunity for one outfit per day. Casual clothing is usually acceptable. We will note on your itinerary if the occasion requires dressier wear.
- ✓ **Pack awesome walking shoes.** No blisters allowed on tour. Makes for a lousy day.
- ✓ **Students should follow school guidelines for appropriate clothing throughout their tour.** They will be representing the school throughout their travels.
- ✓ **Visit www.weather.com to check temperatures & the possibility for inclement weather during your travels.** Pack accordingly & plan for sunscreen, rain gear, & cold weather garb.
- ✓ **Make yourself cozy on the bus!** Bring along a pillow, blankie, & sweater.
- ✓ **Performing groups will be advised by their directors what performance & uniform items are needed.** Pack an extra pair of black socks. Those always go missing!

Have an awesome trip!

On Board the Coach

- The motorcoach is your communal living room for the duration of the trip. **Keep the coach clean.** Be polite. Share. Smile at your bus driver. High five your chaperones. Laugh a lot, but keep the decibel level low.
- **Bottled water & packaged snacks** are available throughout the trip (yea)! Participants are welcome to bring along additional goodies. Dairy products and glass bottles are not allowed on the coach. This includes ice cream, yogurt, & blended drinks.
- In most cases, motorcoaches will be equipped with **Wi-Fi & on board plug ins** throughout the coach. Wi-Fi can be sporadic while traveling. Plug ins are located every couple of rows on the coach & will be shared.
- **G or PG DVD movies** are welcomed on board the coach. PG-13 movies will be shown at the discretion of the chaperones on board. Movies with excessive language or adult situations will not be shown & could be tossed out the door of the motorcoach. Leave those at home.
- An adult must be on board the coach in order for students to be allowed to board.

Stay in the Loop!

- All participants will be invited to join in a **Text Messaging Group** for the tour that they are traveling on. Participants on the trip will receive text timeline reminders throughout the tour & any directives necessary for the next step in their travels.
- Parents can also sign up for a **What-Is-My-Kid-Up-To Text Messaging Group** so that they can keep track of their child's adventures! Our Tour Directors will send out periodic messages to parents to advise them of where the group is, what exciting things they have seen & how the day progressed.
- Details on how to sign up will be listed at the top of your final itinerary.
