LUGGAGE LIMITATIONS

Entourage Luggage tags should be attached to all luggage & instruments. The coaches will be loaded by selected loading crews. Each person is allowed **ONE PIECE of luggage** underneath the coach and on the flight. The bag should be **MEDIUM SIZE**, weighing 50 pounds or less, with dimensions no greater than 62 inches (height + width + length). Small carry-on bags can be placed in the overhead bins inside the motorcoach and under your seat on the flight.

Batteries: AA allows up to 2 spare batteries, in a carry-on bag only. For a lithium metal battery, lithium content cannot be more than 2 grams per battery. For lithium-ion batteries, a maximum of 2, not exceeding 160 Wh each, are allowed, with airline approval.

SUNSCREEN

The sun in California is much stronger than what you are used to in Illinois. Make sure that you bring along a ton of sunscreen and plan for a full body application every morning before you step outside! Even on overcast days you will start picking up rays – so be smart and protect your skin.

WHAT TO BUDGET FOR

You will need to budget for **3 lunches** and **1 dinner** during your trip. We suggest that you plan for \$15-\$20 for lunch and \$20-\$25 for dinner. You should anticipate **\$65 - \$85** to cover your additional meals. This will vary based on your personal preferences. Additionally, you will want to allow for souvenir shopping, personal items, and additional snacks at Universal Studios Hollywood.

SCHOOL RULES APPLY

All school rules regarding behavior, dress code, and substance use will apply to this tour. No alcohol, illegal drugs, or weapons of any kind may be brought onto any tour buses. Anyone observed breaking the law (i.e. possessing a weapon, possessing or using illegal substances, etc.) will be subject to immediate removal from the trip and possible criminal prosecution. **Participants will be subject to security screenings throughout this tour.** Any inappropriate items will be confiscated and not returned to the participant. If a student's misbehavior requires that he or she be sent home during the trip, a chaperone will accompany the student home and the student's parents will be required to pay for these additional transportation costs.

DIETARY NEEDS/ALLERGIES

Participants are encouraged to communicate any special dietary requirements to their Account Manager in advance of travel and every effort will be made to request special meal accommodations from the food establishments included in the trip. It is ultimately the responsibility of the participant to use his or her best judgment when it comes to dietary choices during the trip. Participants should also communicate dietary needs and emergency precautions with the chaperone and administrators assigned to their student. Travelers with complex or extreme food allergies are advised to pack adequate snacks and be prepared with extra meal money to purchase uniquely prepared foods, if necessary.

FACEBOOK LIVE PERFORMANCE VIDEO

If technology allows, we will broadcast a live video feed on Facebook with the group's performance at Universal Studios Hollywood on February 16. Please follow our page at www.facebook.com/entouragemanagement. We will send out a Remind message to parents at home right before we go live with the group! It will almost be as if you are there with us! Should you miss watching the performance live, no worries! We'll save a copy of it on the Entourage Facebook page.

TRIP TIPS

Average temperatures for Los Angeles in February are in the mid to high 60s for the high during the day and gradually decreasing to the mid to high 40s in the evening. Visit www.weather.com prior to packing for the trip. You'll want to make sure that you plan for comfortable, layered clothing with **EXCELLENT WALKING SHOES! Tennis shoes suggested!**

Your tour director will keep you informed about all your meeting points and times throughout your tour. It is very important that you are **PUNCTUAL for all check in times!** Remember... we'll be in a time zone 2-hours earlier.

Don't forget to make a list of all the items that you will need for your performance activities during the trip and **TRIPLE CHECK** it before you pack up for the last time.

ON BOARD THE COACH

We have airport transfers scheduled with **Chicago Classic Coach** and local daily transportation in LA arranged with **Transportation Charter Services**. You'll travel in style on board a 56-passenger or 40-passenger motorcoach. Here are a few tips to help make your experience as pleasant as possible:

- ✓ **110V Outlets** are available on board the coaches.
- ✓ **NO DAIRY products** are allowed on board any of the motorcoaches, including milk, blended drinks, ice cream, and yogurt. Plan to enjoy your ice cream treats before you get back on the coach during the tour.
- ✓ **A clean bus is a happy bus!** Participants are required to keep the motorcoaches clean during the tour. Trash bags will be located in the front & back of the bus. We'll ask for volunteers to periodically help us pick up.
- ✓ **Food & Beverages** are allowed on the motorcoaches if the group is responsible for keeping the coach clean.

Although Wi-fi service is offered on board all of the motorcoaches, you can expect it NOT to work consistently or occasionally, at all, during the trip. Please plan to **bring your own Hot Spot** on the trip if you need regular access to the internet. We can't guarantee this service for you.

NUT ALLERGY ALERT! We have a few travelers with nut allergies on the trip. We request that you NOT bring nuts or nut-filled items on the trip or in the motorcoaches to avoid any contamination. We will provide snacks that are nut free; however, it is each individual's responsibility to monitor what is appropriate for his or her needs.
