Instructions are included at the end of this packet. It states that you are signing up for Mr. Jim's Class. We promise – **NO TESTS!!!** Note that communication in REMIND is for **one-way messaging**. Should you need to contact your **Tour Director, Jim Stombres**, his cell is **630-533-9064**.

SCHOOL RULES APPLY

All school rules regarding behavior, dress code, and substance use will apply to this tour. No alcohol, illegal drugs, or weapons of any kind may be brought onto any tour buses. Anyone observed breaking the law (i.e. possessing a weapon, possessing or using illegal substances, etc.) will be subject to immediate removal from the trip and possible criminal prosecution. Any inappropriate items will be confiscated and not returned to the participant. If a student's misbehavior requires that he or she be sent home during the trip, a chaperone will accompany the student home and the student's parents will be required to pay for these additional transportation costs.

DIETARY NEEDS/ALLERGIES

Participants are encouraged to communicate any special dietary requirements to their Account Manager in advance of travel and every effort will be made to request special meal accommodations from the food establishments included in the trip. It is ultimately the responsibility of the participant to use his or her best judgment when it comes to dietary choices during the trip. Participants should also communicate dietary needs and emergency precautions with the chaperone and administrators assigned to their student. Travelers with complex or extreme food allergies are advised to pack adequate snacks and be prepared with extra meal money to purchase uniquely prepared foods, if necessary.

ON BOARD THE COACH

You'll have the opportunity to travel in style on board a **Van Galder** deluxe 56-passenger motorcoach. The coaches will become our "living room" that we will share while traveling together. Here are a few tips to help make your experience as pleasant as possible:

- ✓ **110V Outlets** are available on board the coaches.
- ✓ **NO DAIRY products** are allowed on board the motorcoaches. This includes milk, blended drinks, ice cream, and yogurt). Plan to enjoy your ice cream treats before you get back on the coach during the tour.
- ✓ **A clean bus is a happy bus!** Participants are required to keep the motorcoaches clean during the tour. Trash bags will be located in the front & back of the bus. We'll ask for volunteers to periodically help us pick up.
- ✓ **Food & Beverages** are allowed on board the motorcoaches only if the group is responsible and is keeping the coach clean. If the coach is not in acceptable condition during the trip, these privileges will be lost.
- ✓ **A DVD player** is available on the motorcoach. Please bring your favorites to share! **G or PG Rated movies are preferred**. Only movies that have been deemed appropriate material by your chaperones will be shown. Movies with excessive language and/or adult situations will be pulled.

A note about Wi-fi. Although Wi-fi service is offered on board the motorcoaches, you can expect it NOT to work consistently or occasionally, at all, during the trip. Please plan to **bring your own Hot Spot** on the trip if you need regular access to the internet. We can't guarantee this service for you.

NUT ALLERGY ALERT! We have several travelers with nut allergies on the trip. We request that you NOT bring nuts or nut-filled items on board the motorcoaches to avoid any contamination. We will provide snacks that are nut free; however, each person is responsible for monitoring what is appropriate for his or her needs.
